PRE-ANESTHESIA INSTRUCTIONS

- Don't give your pet anything to eat after midnight the night before surgery.
- Your pet may have water until morning of surgery.
- If your pet is taking medication, please make sure to ask if the medication should be administered the morning of surgery. Also, be sure to check the dosage.
- Admission for surgery is between 7:30am and 8:30am, unless otherwise scheduled by a doctor.
- Pick up times are between 5:00pm and 7:45pm Monday-Thursday and between 5:00pm and 6:45pm on Friday.
